

## WE ARE ST. EDWARD!

The St. Edward School community, united as one diverse family, strives to be joyful disciples of Christ through excellence in faith, academics, and service.

### Chromebook Devices (Middle School-5<sup>th</sup>-8<sup>th</sup>)

With Remote Learning, we will still be needing parental support in monitoring and reminding them to stay on task when doing schoolwork. These devices are intended to aide them with school related work and not to be used for gaming, entertainment streaming, non-school related emails, or social media apps (such as Instagram, Snapchat, Twitter, etc).

Grades 5<sup>th</sup>-8<sup>th</sup> will be using an Asus Chromebook. Grades 5<sup>th</sup>-8<sup>th</sup> will continue to have lessons on digital citizenship and digital literacy. The main source for these lessons will be from Common Sense Media and MS Office365. The students have been using either the Chromebooks or computer lab desktops from previous years. We will continue to instill meeting expectations for the acceptable use of technology, and we will continue to use best practices when working on-line.

#### Chromebook Guidelines for Remote Learning (At-Home Use) for Parents and Students

1. Remember to use your Chromebook device away from food or liquid materials.
2. Charge your Chromebooks with the provided power cord only.
3. Use the login assigned from Google Suite Education to login your Chromebook and your Office365 username and password for e-mail, Onedrive, and MS Teams access (grades 5-8 only).
4. Always observe good digital citizenship whenever using any school device.
5. Report any technology issues right away by emailing Principal - Susan Blankenship at [sblankenship@stedward.org](mailto:sblankenship@stedward.org), Tech Integrationist - Dr. Araujo at [yaraujo@stedward.org](mailto:yaraujo@stedward.org), or IT Coordinator - Mr. Jason Farris at [jfarris@stedward.org](mailto:jfarris@stedward.org).
6. Please do not adjust or change any of the settings on the Chromebook device.
7. Go Guardian monitors searches and blocks or flags inappropriate sites. We will notify you of any flags received through Go Guardian Administration.
8. The use of school technology will be based on the Student Handbook Policy and Technology Acceptable Use Policy.

**NOTE: This device will be under your care and responsibility for the duration of the Remote Learning designated school days. You will receive a numbered Chromebook, power cord (2-piece), and a Chromebook bag.**

## iPad/Other Tablet Devices

### (Lower Grades)

For grades K-4<sup>th</sup>, they will be using an Apple iPad. Students will become familiar with the use of SEESA grade level on-line behavior expectations and ex Policy

With Remote Learning, we will still be needing them to stay on task when doing schoolwork. This is for school related work and not for gaming, entertainment media apps (such as Instagram, Snapchat, Twitter)
